1. (S/NF/SK) TASKING: (See ~~next~~ same as CRV session #1 & SRV session).

2. (S/NF/SK) SESSION: Same encrypted coordination as (or session #1).
Proceeded per SOP.

3. (S/NF/SK) SUMMARY: Site involves a group of people, males and females, who ~~are running away from the disaster~~ are observing an occurrence at a distance. People are taken aback ^{at the} "unexpectedly expected" - either as a result of premature occurrence of event, or unanticipated scope of results. Military is interested in project to see if useful applications exist, but civilian representation and control is extensive. Occurrence involves a large area above ground and creates a brilliant, intense, pure light and light colors. Physical sensation of something, neither solid nor liquid, resting part.

Approved For Release 2000/08/08 : CIA-RDP96-00789R000100180009-3
